- *Proposals that incorporate matching funds or community resources are encouraged, but not necessary!
- *Interdisciplinary or team-teaching requests are encouraged, but not necessary!
- *Grants will be considered in amounts not to exceed \$600!
- *Materials purchased with grant become property of the Van Buren County School District.!
- *Some school catalog companies will sell only to schools. Get confirmation from the company so we may order.!
- *Remember to shop locally. These merchants support the foundation and school district and may have catalogs.!
- *If using a school catalog, please use only a copy of the order sheet. We don't need the catalog.!
